Commissioner for Patents

Alexandria, VA 22313-1450

Dear Sir:

This paper responds to the Office action in the above-entitled application, mailed September 20, 2007, which gives a shortened statutory period of three months for a response. A Petition for Extension of Time (one month) is filed together with this paper, which sets the due date to January 22, 2008 (January 20, 2008 is a Sunday and January 21, 2008 is Martin Luther King, Jr. Day). This response is therefore timely.

Amendments to the Claims are reflected in the listing of claims which begins on page 2 of this paper.

Remarks begin on page 6 of this paper.
